

TULIP Dissemination Year 2 (University of Vaasa Levón Institute)

Here comes information about our dissemination activities linked to the Iasi Conference:

1. Before the conference: Sending via University internal email-network conference information/programme to some 10 selected persons within University of Vaasa (just for information and for seeking an extra person interested to come to the conference). "Opening" the TULIP project at the Iasi conference to Mr. Ville Tuomi, researcher from the Faculty of Technology, who decided to come to the Conference.
2. After the conference: Informing the Levón Staff (30 persons) about the conference 31.8.2009 during the Institute Internal Information Day.

The latest dissemination activities in Levón Institute:

1. Informing 12.10.2009 the Levón institute's Management and Entrepreneurship team(6 members) about the Tulip meeting in Tampere
2. Informing 12.10.2009 the Levón Institute's management group (5 members) about the Tulip meeting in Tampere
3. Informing 21.10.2009 (forthcoming!) Trade Union AKAVA's Vaasa officials about the TULIP project. (Akava is a Trade union of Academic Educated workers)
